

LETTER OF ACKNOWLEDGEMENT

RE: David MacKenzie

I have personally known David now for nearly a year, sitting with him on the Leduc Parks Recreational and Culture Board, as well as being an active volunteer and presence at our events over this past season.

With his passion for sports and recreation, being a strong athlete himself – it's evident the growth and improvement of all local sports in the City of Leduc is a very important topic for him. We have had some great conversations in regards to local sport and recreation, mainly how we can better utilize our existing resources and perhaps make them better than they already are.

It was a pleasure having David out to throw the "Honorary First Pitch" at our last major event held at William F. Lede Park a few weeks ago in support of the Leduc and District Emergency Shelter Association.

To take the time to stop by the park, help with some set up and meet many of the players on hand, to me shows an amazing sense of community spirit and involvement.

I look forward to the upcoming election so I can do my part in voting for David as our next Mayor of Leduc!

Please feel free to contact me with any questions or concerns.
